## FIND YOUR RING SIZE

### CONFIRM PRINTED PAPER SIZE

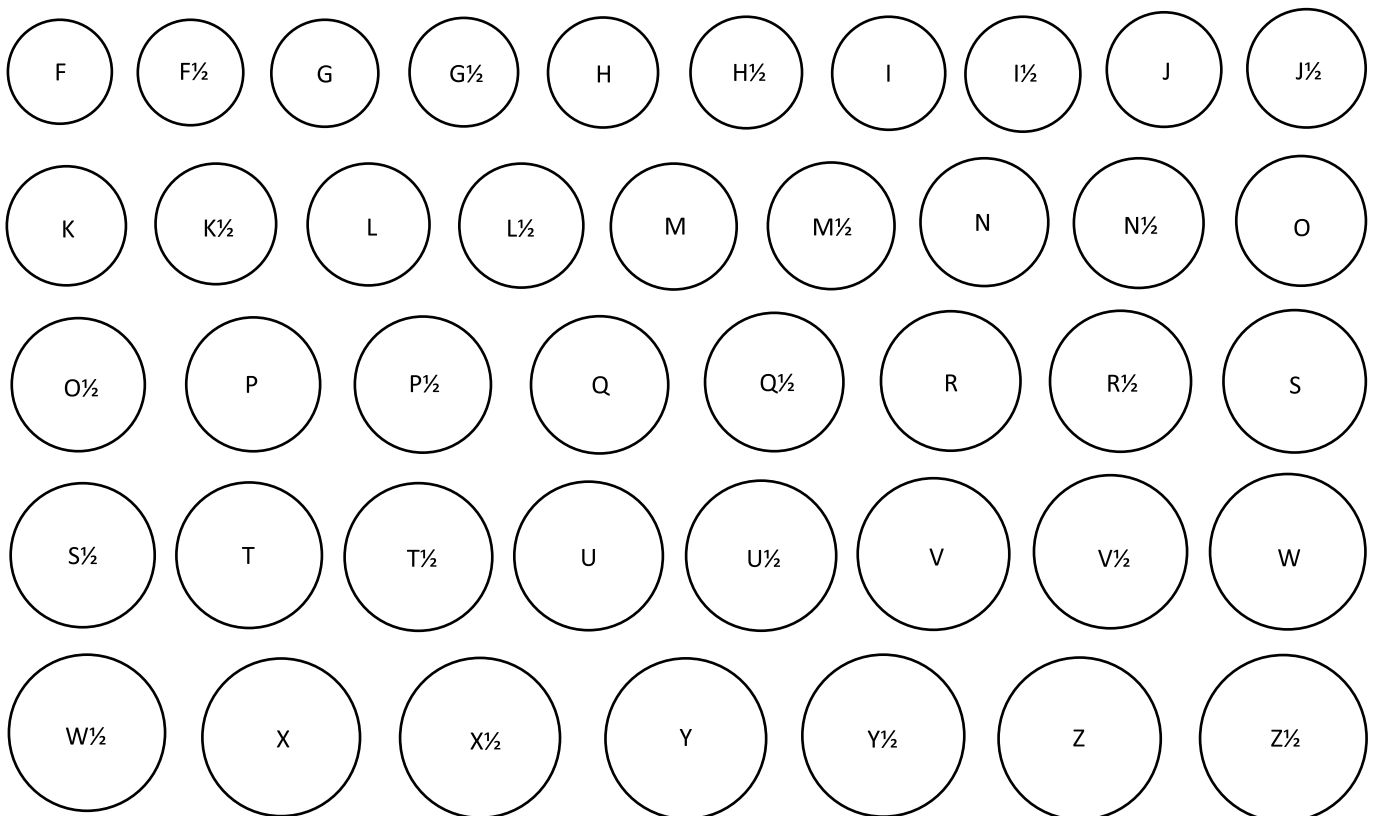

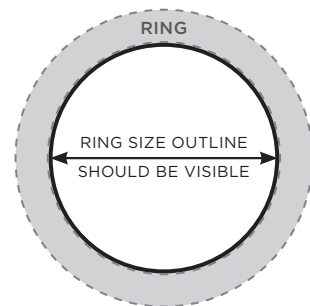

**1. Prior to printing**, ensure that Page Scaling is set to '100%' in your print dialog box.

**2. Once this page is printed, measure the bar on the left.** It must be exactly 30 millimetres or 1 inch long.

### MEASURE CURRENT RING

1. Select a ring that properly fits the intended finger.
2. Place the ring over the circles below, matching the inside edge of the ring to the circle nearest in size. Ensure the edge of the circle is visible when viewed directly above.
3. If the ring falls between two sizes, order the larger size.
4. Double check for accuracy.

MEASUREMENTS MATCH THE INSIDE EDGE OF THE RING
